- Large fully upholstered tri-curved spine-shaped contoured backrest, height adjustable with a positive leverless ratchet action.
- Generous double curved seat with enhanced moulded CMHR foam cushions.
- Choice of heavy-duty tensionable underseat controls, maximising adjustability, both allowing the chair to move in harmony with natural body movements.
- Optional adjustable armrests.
- Optional seat slide adjustment of 50mm, easily controlled from the seated position with a simple lift-up operation.
- Optional inflatable lumbar panel will target specific areas for increased back support.
- Coordinating chrome base option for heavier usage and furniture compatibility.
- All chairs are designed to conform to relevant British Standards and the current EEC VDU Directives.

Guarantee

All models carry a full 5 year guarantee, 2 years for 24-hour use, subject to normal usage.

Suffix - /AJ08

NEW - Height and depth adjustable armrests. A unique solution to a modern office problem. Two-dimensional adjustment allows the arm to be moved away from the working position when not required.
