

JUMBOREST Instructions for use

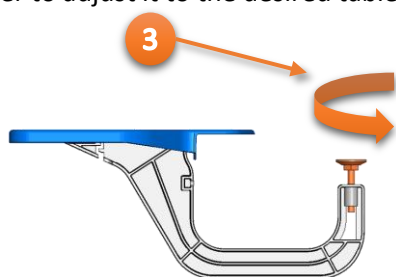

1- Line up the arm's notches in the tablet's slide rail.
(Rail 1, 2 or 3 according to your chair)

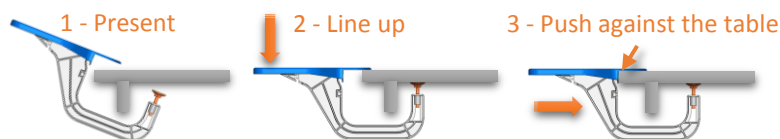

2- Slide the arm in the tablet's sliding rail until obtaining a *Click* !

3- Screw the adjusting pad in one way or the other to adjust it to the desired table thickness.

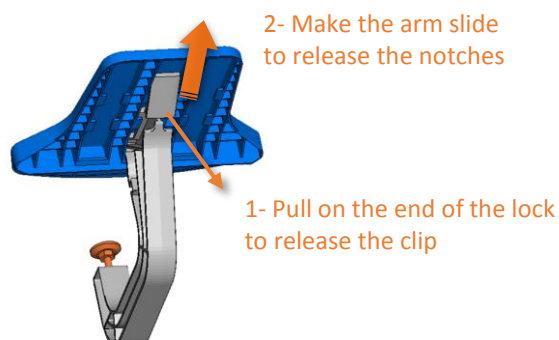

4- Set the JUMBOREST on the table

If necessary, remove the JUMBOREST to adjust the adjusting pad.

5- Disassemble the arm for storage
