Crepe Fabric

Imola is a versatile and durable Crepe weave upholstery fabric, specially designed for contract seating. With it's high-wearing ability and flame-retardant qualities, it ensures both longevity and safety in high-traffic environments. The subtle texture and sophisticated finish make it a perfect choice for stylish yet practical seating solutions.

Composition:	100% Treated Polyester
Width:	140cm ±2
Usage:	Domestic, Contract, Hospitality, Marine, Task Seating.
Abrasion Resistance:	200,000+ Martindale.
Light Fastness:	5
Cleaning Instructions:	Vacuum regularly or use a soft brush to remove dust and solid particles. Fixed upholstery: Professional cleaning first testing on unseen part of fabric. To remove the most common stains: Clean as soon as possible. Absorb wet stains. Scrape all solids {don't go against the grain). Wipe with a damp cloth using a proprietary branded shampoo. For more detailed cleaning instructions please visit www.cristinamarrone.co.uk/looking-after-fabric
Flammability:	BS 5852 Part 1 & 2 BS EN 1021 1 & 2 IMO FTP Code {Part 8) IMO FTP Code (Part 9) BS 5852 CRIB 5 BS7176 Medium Hazard Crib 5
Breathable:	Moisture vapour permeable.
Anti-Microbial:	This fabric does not support Microbial growth and Altinata, Asperigilus Niger, Cladosporium Herbarism, E Coli, Penecillium, Staphylococus Aureus, M.R.S.A, Covid-19, AATCC147.
Stain Resistant:	Fabric will fight off dry soil and nasty, unpredictable spills and splashes, allowing liquids to bead up and roll off. Stain removal includes grease, ink, blood, urine, ketchup, fruit juice, wine and chewing gum.
Colour Matching:	Every effort is made to ensure the closest possible colour match to our pattern books, but we are unable to guarantee an exact match. If you require to match to fabric, please send us a sample or request a stock cutting of the shade. Always check fabric before cutting.
Please Note:	If bobbling or pilling occurs on this fabric, this is not a problem and will not have any detrimental effect on the wearability of the fabric. Removal by a "de-fuzzer" is the most effective method and returns fabric to it's original appearance. We reserve the right to alter technical specifications without notice.

Free samples of all Cristina Marrone fabrics are available via our website www.cristinamarrone.co.uk

It is the manufacturer's recommendation that all cushions should be wrapped in calico or other suitable inner lining and that 1/2" seam be taken up with 8 stitches per inch, and all seams overlocked when machining.
